

## HOW TO USE THIS E-GUIDE

You can select section and subsection headings in the Contents to go directly to your topic of interest. For quick navigation, use the search button to type in key words. Section and subsection headings will appear in the Contents in order of key word frequency. The Guide can also be read from beginning to end and is available in PDF format for downloading and printing.

Another helpful hint: Once you have located the section you wish to study, select the [close contents box](#) above the content selection window to maximize your reading area. To go back to navigating, select the "Contents Tab" or the "Guide Home" menu to display the contents window. You may also use the ["Full Screen"](#) option from the top menu; afterwards to return to the home page, select "Exit Full Screen" or "Guide Home"

To optimally view the e-Guide, it is recommended that monitors be set to a resolution of 1280 x 800. At minimum, the resolution should be set to 1024 x 768.
