

Expert Q & A

You have questions. We have answers.

Expert Q&A is a national forum designed to help victim service providers communicate with national experts and colleagues about best practices for assisting victims of crime. Each month, a new topic will be presented online, and one or more subject matter experts will be available to answer your questions on this issue.

It's easy to participate:

1 Register and submit your questions in advance.

2 Log in to the session at the time of the event.

3 Engage with the experts as they answer your questions.

All sessions are recorded, so you can watch them any time, at your convenience. Visit www.ovcttac.gov/expertqa for more information.

OVC's Training and Technical Assistance Center (OVC TTAC) provides training to support professional development, enhance services to the community, and expand outreach to underserved victims of crime.
