

Training by Request

An OVC Program

Module 5 Action Planning

Learning Objectives

- Identify the specific strategies you will implement.
- Explain how and when the strategies will be implemented.

Action Plan

Worksheet 5.1

Identify:

- Three specific strategies to implement.
- Who will need to approve your strategy.
- People who can champion your strategy.
- Resources needed to implement each strategy.
- Potential obstacles.

Create a timeline for each strategy.

Your Impact is Profound

- Remember the importance of organizational resiliency.
- Be determined.
- Show and share your enthusiasm!

Review of Learning Objectives

- Identify the specific strategies you will implement.
- Explain how and when the strategies will be implemented.

Final Questions? Final Comments?

Thank you for making the commitment to attend the training and for contributing your thoughts, skills, and opinions.

Evaluations

Thank you for attending.

Congratulations on your excellent work.
