

Victim Assistance Training *Online* (VAT *Online*) is a basic victim advocacy Web-based training program that offers victim service providers and allied professionals the opportunity to acquire the basic skills and knowledge they need to better assist victims of crime.

Redesigned VAT *Online* now available

- ▶ **No costs attached.** VAT *Online* is **free** training you can take at your own pace.
- ▶ **Engaging Interactions.** We've developed engaging online interactions to help reinforce the content, including real-life scenarios, videos, and more.
- ▶ **Information you need to know.** 19 modules with up-to-date information will help strengthen your knowledge and skills to assist victims of crime, including:
 - Crisis intervention
 - Problem solving
 - Assessing victims' needs
 - Criminal justice system
- ▶ **More content to come.** New content will be released on specific crimes and the needs of special populations in the coming year.

OVC's Training and Technical Assistance Center (OVC TTAC) provides training to support professional development, enhances services to the community, and expands outreach to underserved victims of crime.
