An OVC Training and Technical Assistance Initiative

Through OVC's Legal Assistance for Crime Victims Training and Technical Assistance Initiative, OVC's Training and Technical Assistance Center (OVC TTAC) is working to develop and deliver training and provide technical assistance to the legal community. Training and technical assistance provides attorneys across the country with the tools they need to increase their knowledge base about crime victim issues and increase their capacity to provide pro bono or no-cost legal representation to crime victims.

Visit the [Legal Assistance for Crime Victims Initiative](#) page to learn more about upcoming and archived trainings or e-mail us at [legalassistance@ovcttac.org](mailto:legalassistance@ovcttac.org) for technical assistance and support.

Thank you for attending this live chat. Please take a few minutes to complete the evaluation.
