Courageous Spirit: The Effects of Historical Trauma on AI/AN Communities

November 20, 2019

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available. The audio for today’s session will play through your computer speakers.
If you are experiencing any technical issues with the audio for this session, please let us know in the Chat box.

As with all technology, we may experience a momentary lapse in the webinar session. In the event of a problem, please be patient and remain on the line. If the problem persists, please contact our technical specialist, Kaila Hough, by emailing her at khough@ovcttac.org for technical assistance.

Today’s session will be recorded and made available on the OVC TTAC Expert Q&A Past Sessions tab, along with a copy of the PowerPoint.

What is historical trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Historical Trauma Definition

“Cumulative mass trauma effect from the perpetration of colonization, oppression, spiritual, physical, emotional, and mental torture across multi generations. A continued collective force on individuals, family, and community, resulting in cultural, environmental, societal, and economic damage, loss, extermination, and distress for the AI/AN population.” -E. Giacci

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What are the effects of historical trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Effects of Historical Trauma

- A breakdown of traditional Native family values
- Depression, anxiety, and suicidality
- Child abuse and neglect and domestic violence
- Posttraumatic stress disorder
- General loss of meaning and sense of hope
- Internalized oppression

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Should we assume that all American Indians/Alaska Natives (AI/AN) experience historical trauma?
When looking at historical trauma, are social determinants of health acknowledged as a factor?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What is the first step in stopping historical trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
How can we help others understand that historical trauma lives in the present?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
How were children traditionally disciplined in AI/AN communities?

Is violence/battering as a form of discipline considered a colonizer habit?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
How can child protection work with families who are impacted by historical trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What interventions are most effective/engaging when working with parents with historical trauma whose children are in state custody?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What suggestions do you have for discussing potentially triggering information, such as historical trauma or adverse childhood experiences, in group trainings?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
AI/AN women have a much higher prevalence rate of violence against them than other American women. What can we do to change the way our communities value women and prevent violence against them?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
In what ways are non-native service providers failing to engender growth and healing for AI/AN communities?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Q&A

How can we educate the public more effectively about historical trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Do you believe historical trauma needs to be discussed more to educate the general population on oppression of AI/AN communities?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What are the best ways for non-native organizations to provide outreach to tribal communities?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What are the most important things that a non-native advocate can do to be culturally sensitive while working with AI/AN survivors?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Q&A

What are the best ways for a non-native to be mindful and respectful when reaching out to tribal communities?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
How can an advocate outside of a tribe connect well with those impacted by historical trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
How can advocates help to create a healing environment for AI/AN victims of domestic violence and sexual assault?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
For non-native practitioners, what are some strategies to build trust and rapport in cases where the survivor has experienced historical trauma as well as complex and/or acute trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Do you think we are going back to traditional ways of healing?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Can you offer some insight on the use of telehealth in the sexual assault medical forensic exam for the AI/AN population?

There does not seem to be much research out for AI/AN communities, why is that?

Are there any evidence-based programs that have been proven successful in addressing historical trauma in AI/AN communities?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Q&A

Do you think the process of competitive grants is causing more harm than good between tribes?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
Do you have any strategies you find effective in healing?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What recommendations for culturally responsive and trauma-informed practices are there in the advocacy field?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What do you suggest non-native programs do *not* do when providing outreach to tribal communities?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What is the research saying about historical trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
How can advocates promote pride in identity while also honoring the presence of generational trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What can be done within the education setting to address historical trauma to foster trusting relationships with students and families?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
There are no numbers on how many Native women are missing and murdered, which is still an issue in Indian country. As a case manager, what would be a respectful way to advocate or support those dealing with these types of situations?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
What is the best way to support the Native community in healing from historical trauma?

Note: This session will be recorded and posted on the Expert Q&A Past Sessions tab when available.
