Q & A

Technology, Social Media, and Victim Safety

Moderator:
Jason Adams

Featured Host:
Erica L. Olsen, M.S.W.

June 20, 2018

OVCTTAC
OFFICE FOR VICTIMS OF CRIME Training and Technical Assistance Center

Note: This session will be recorded and posted on the Past Sessions tab when available. The audio for today's session will play through your computer speakers.

Technical Overview

- If you are experiencing any technical issues with the audio for this session, please let us know in the Chat box.
- As with all technology, we may experience a momentary lapse in the webinar session. In the event of a problem, please be patient and remain on the line. If the problem persists, please contact our technical specialist, Kaila Hough, by sending her a private chat or by emailing her at khough@ovcttac.org for technical assistance.
- Today's session will be recorded and made available on the OVC TTAC Expert Q&A Past Sessions tab, along with a copy of the PowerPoint.

Q&A

What strategies can victims use to preserve evidence from social media?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

What are common ways that abusers use technology to find victims?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

Are there apps that victims can use to increase their safety?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

How can we use technology to serve victims?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

What advice do you share with victims regarding the use of social media? Should they use it cautiously or not at all?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

What are some best practices for staying safe online?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

How can victims identify apps that may have been placed on their phones unknowingly to track them?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

How can you protect your cell number from being spoofed? How can you prove in court that your number was spoofed?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

Is there a way to recover evidence, such as text messages and images, that has been deleted from a victim's phone or computer?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

What is the best way to stay abreast of the most recent and prevalent ways victim safety is being jeopardized by technology?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

In your experience, what changes have you seen in social media, good or bad, that relate to victim safety?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

Has there been any leeway in implementing laws to protect against cyberstalking and harassment?

Note: This session will be recorded and posted on the Past Sessions tab when available.

Q&A

Are there specific laws pertaining to stalking and social media bullying?

Note: This session will be recorded and posted on the Past Sessions tab when available.
